

Shore Based Maintenance Certification

No. 2015 / 121

This certificate confirms that company:

NAVCOM ELECTRONICS LTD

Is authorised to perform Shore Based Maintenance as required by SOLAS reg IV/15.9.2 as amended with MSC/Circ.1039 on the following Jotron products.

- Tron 40S / 40S MKII
- Tron 40GPS / 40GPS MKII
- Tron 60S / 60GPS
- Tron 45SX

We hereby confirm that the above company has been audited in respect of their procedures and systems relating to provision of Shore Based Maintenance of Jotron products. Authorisation is granted subject to the companies continued ability to meet the standards detailed in MSC1039 and will be reviewed periodically.

Date of Audit: 15.06.2015

Expiry date: 15.06.2019
